pression. In the religious realm the called on William Booth to go with than anything in outward view or expression. In the religious realm the vision is of duty, of the meaning of manhood under the redemption of God. We often misinterpret the great meaning of prophet. We forget that the prophet's greatest power is not foresight but insight, not foreteiling comping events but understanding present events. Paul had the vision and he obeyed it. O, yes, men grant visions in science, as Edison had, or in geography or in art, but they will not grant them in religion. I insist that these visions are good for the soul.

Danderine Is So Exhilarating. Invigorating

and strengthening to both the hair and scalp that even a zic. bottle of it is often enough to show wonderful improvements. It at once imparts a sparkling brilliancy and volvety softness to the hair, and a few weeks' use will cause new hair to sprout out all over the scalp, and grow abundantly, long and beautiful. Use it every day for awhile, after which two or three times a week will be enough to complete whatever growth you desire.
